WRSSBA Pitch Count Form

Team Name:_____ **Division:_____**

Pitcher #	Pitcher Name	Date	Opposition	Pitches Thrown	Opposition Signature

Please note that all games (including tournament and exhibition) must be recorded on this form.
Head Coaches are required to maintain an updated pitch count form and must produce it to their opposition prior to the game upon request. At the conclusion of a game both Head Coaches will review and sign each other's pitch count form.
Each team is responsible for tracking the pitcher's pitch count either through the use of a handheld counter or through their scorebook. In the event of a dispute, the count maintained by the pitcher's own team will be considered official (except in a Provincial Championship). See rule 23.09.
