

WRSSBA COVID-19 SAFETY PLAN

Step One: Assessing Risks at our Venues:

1) Places where people gather

- South Surrey Athletic Park
 - on the baseball diamonds
 - dugouts
 - all entrances/exits, i.e., Gates/Bathrooms
 - storage areas
 - Equipment Bins
 - Field Cleaning Supplies
 - Team equipment bins
 - Motorized equipment bins
 - spectator gathering areas
 - Bleachers
 - Parking lots
 - Beyond the field fence-line
 - Washroom facilities
 - Batting tunnel remains closed and should not be used.

- Bakerview Park
 - on the baseball diamonds
 - dugouts
 - all entrances/exits, ie; gates/bathrooms
 - storage areas, i.e., equipment bin and field supplies bin
 - spectator gathering areas
 - bleachers
 - parking lots
 - beyond fence-line

- Laronde Park
 - On the baseball diamonds
 - Dugouts
 - All entrances/exits, i.e., gates/bathrooms
 - Storage areas, i.e., equipment bin and field supplies bin
 - Spectator gathering areas; Bleachers, beyond fence-lines, parking lot

- Centennial Park/Diamond
 - On the baseball diamonds

- Dugouts
- All entrances/exits, i.e., gates/bathrooms
- Storage areas, i.e., yellow equipment bin, green field supplies bin
- Spectator gathering areas
 - Bleachers, beyond fence-lines, parking lot
- Centennial Batting Tunnel should remain closed and not used for activities

2) Processes and situations where people are close to one another

- On a baseball diamond
 - Participating in baseball activities as a player or coach
 - Prepping or maintaining a baseball diamond using field equipment
- Dugouts
 - Are to remain CLOSED to avoid close contact
- Entrances/exits, ie; gates/bathrooms
 - When entering or exiting any field, washroom, storage bin, or room
- Bleachers/Fence-lines/Any viewing location
 - Spectators are to follow social distancing rules for all locations outside of the diamond while viewing baseball activities
- Washroom Facilities
 - Entering/exiting, using any washroom facilities
- Storage Areas
 - When accessing any field equipment, gear, maintenance, etc
 - Maximum of 1 person in each storage bin at a time

3) Equipment shared between individuals

- Equipment for baseball activities
 - Baseballs
 - Bases
 - Bats (players recommended to have their own)
 - Helmets (each player to provide their own)
 - Screens
 - Pitching machines or any other baseball-machinery
 - Hitting tee's, or other baseball-specific items
- Field Equipment
 - Rakes
 - Drag screens
 - Gator (motorized – one person at a time in use)
 - Tarps, and weights for tarps
 - Line marking, tools used for line markings
 - Bins, locks, and keys

4) High Touch Surfaces

- Outdoor
 - Fences, gates, doors, etc.
 - Bases, base-plugs, and base-stand
 - All dugout area, ie; bench, fence, entrances, roof, etc. CLOSED.
 - Bleachers
 - Equipment Bins and Locks/Keys
 - Motorized Equipment
- Indoor
 - Washroom facilities, ie; doors, sinks, counters, towel-dispenser, etc.
 - Clubhouse, including all tables, chairs, counters, etc. CLOSED.
 - Batting Cages, ie; nets, doors, screens, railings, etc. CLOSED.

Step Two: Protocols to Reduce Risk

1) Documentation Review

- ViaSport and Baseball BC (Sport-specific) Guidelines
 - Reviewed ViaSport Guidelines – [CLICK HERE FOR DOCUMENT](#)
 - Reviewed Baseball BC Guidelines – [CLICK HERE FOR DOCUMENT](#)
 - Reviewed BCMBA Guidelines – [CLICK HERE FOR DOCUMENT](#)
- Orders, Guidelines, Recommendations, Notices
 - Visit [WRSSBA COVID-19 Resource Page](#) for updated information.
- Municipality Guidelines
 - Follow current ViaSport and Baseball BC to keep field permits valid.

2) First-Level Protection

- Occupancy limits have been established at the following locations;
 - Washrooms – Max 2 people per washroom
 - Centennial Batting Tunnel – Max 4 people per side (CLOSED)
 - WRSSBA Indoor Facility – Max 12 people (CLOSED)
 - Dugouts (ALL PARKS) – Max 12 people (CLOSED)
 - Concession – Max 2 people (CLOSED)
- Measures to keep people social distancing
 - Communication delivered to all coaches, players, parents, and volunteers
 - Signage posted at all entrances/exits, parks to social distance
 - Closed most facilities/indoor venues per Baseball BC guidelines

3) Second-Level Protection

- Barriers/Partitions
 - Plexiglass for concession protection – future opening
 - Participants only allowed inside training facility
 - Executive meetings moved to on-line conferencing

4) Third-Level Protection

- Administrative Rules
 - Limiting the number of players, and coaches, at each baseball event
 - Baseball BC guidelines will be followed as they are revised
 - Limiting the number of spectators, parents, and volunteers at each event
 - Baseball BC guidelines will be followed as they are revised
 - Bleachers are closed. Spectators are to socially distance.
 - Parents to sit in own chair outside fence line
 - No gathering near gates, or in parking lots.
 - [Baseball BC Return to Play](#) – Guidelines for spectators also in R2P.

5) Reduce Risks of Surface Transmission

- Handwashing stations
 - South Surrey Athletic Park washroom
 - Centennial Park washroom
 - Laronde – disinfectant has been provided to coaches/supply bin
 - Bakerview Park – disinfectant has been supplied to coaches/supply bin
- Proper Hygiene Communication
 - Sanitizer and disinfectant provided to coaches and umpires
 - Coaches have been detailed a list of requirements pre and post-practice
 - Coaches were communicated via meetings/phone calls of importance.

6) Cleaning Protocols

- Equipment sanitized as per [Baseball BC](#) and [ViaSport](#)
- Sanitizer and disinfectant provided to coaches via supply bins
- 'Cleaning Buckets' have been organized and put at each field equipment bin
- City cleans washrooms and stocks sanitation on the daily
