MANGE YOUR BOOKING (ACCESS, RESCHEDULE and CANCEL)

Our facility uses an automated access code system. Every booking will have a unique code generated that will be active 15 minutes prior to your booking and expire after your booking is complete. If you make a booking at least 24 hours in advance, you will receive an email (and text message if a cell phone number is added to your account) with your unique access code.

ACCESS CODES

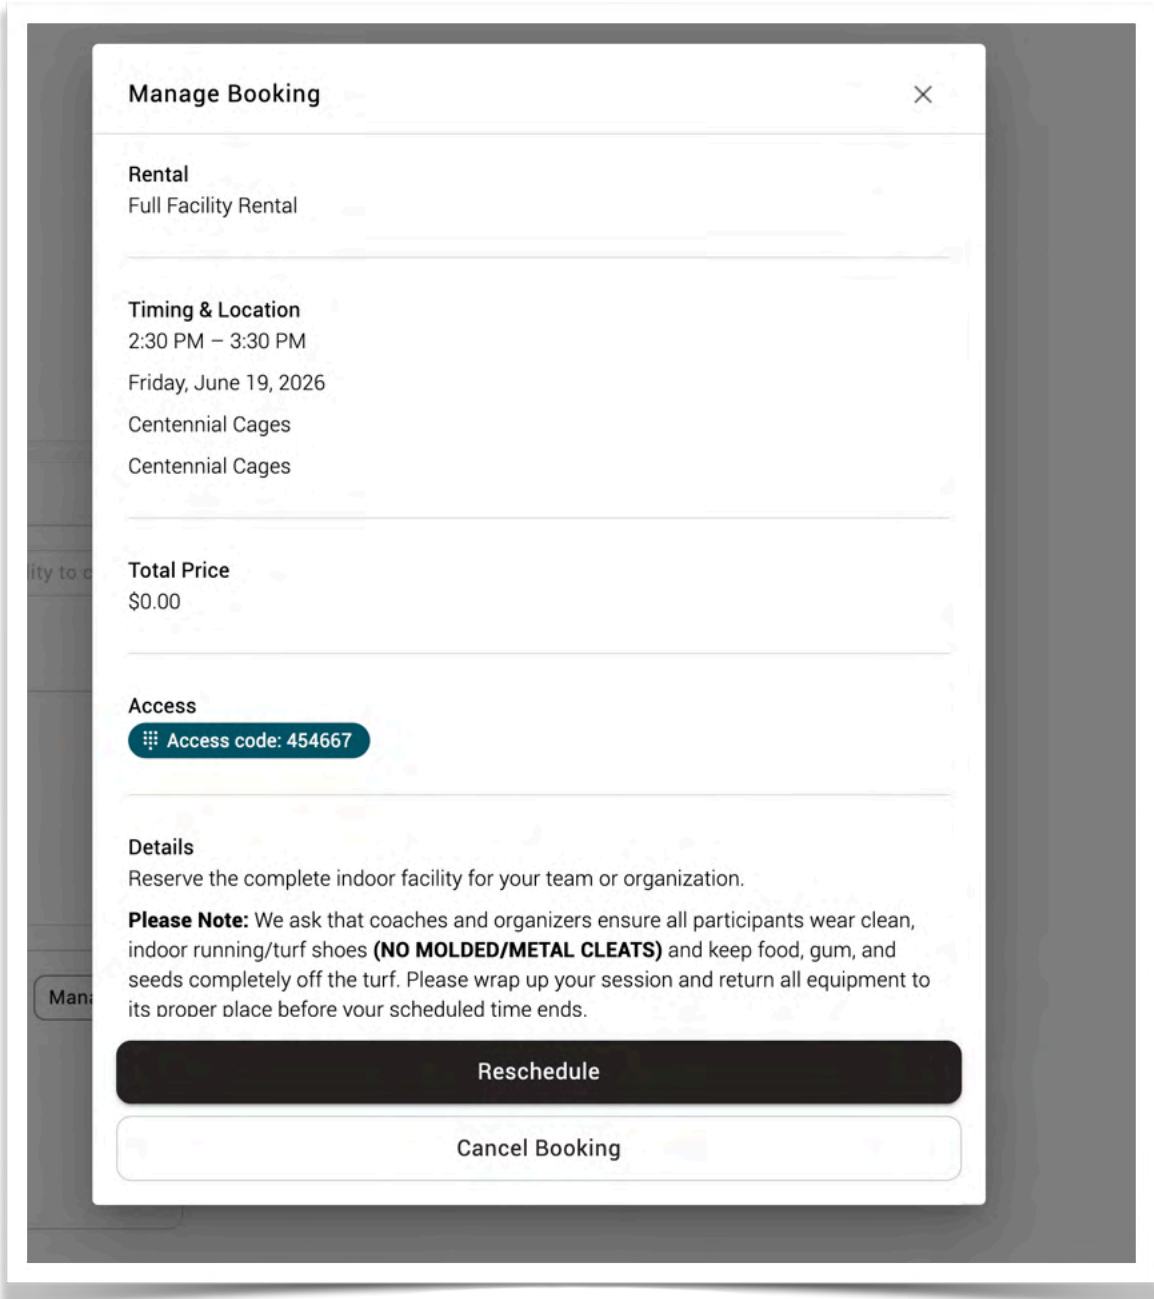

If your booking is made within the 24 hour window, or you have lost the text message/email with the access code, you can find your access code under **BOOKINGS** in the **Activity Tab** of **My Account**.
